The Kendall County Health Department is the county’s public health department. We are the lead agency for public and mental health services and education, providing input into community planning to enhance the quality of life for county residents.

Kendall County Health Department offers service coordination and referrals internally and to other agencies. In addition, we provide home energy assistance, weatherization services and community services block grant provides funding for poverty programs.

A wide variety of professional public health, mental health and community services personnel are employed by the department, bringing many valuable years of experience to the community. Teamwork is a critical component for delivering holistic services to the residents of Kendall County. This is achieved through both staff and program coordination and also includes collaboration with other agencies.
