Amaal Tokars, EdD
Executive Director
Kendall County Health Department
811 West John Street
Yorkville, Illinois 60560

Dear Dr. Tokars:

On behalf of the Centers for Disease Control and Prevention (CDC), we are pleased to congratulate the Kendall County Health Department on achieving accreditation by the Public Health Accreditation Board (PHAB).

Your national accreditation status sends an important message to your partners and community that your organization meets national standards and provides services in a manner that all residents should come to expect from their health departments. In addition, because the national accreditation program seeks to advance the quality and performance of all health departments, your participation in this program indicates your commitment to the continuous improvement of your health department's services.

Receiving PHAB accreditation is an impressive achievement. CDC recognizes the time and energy that leaders and staff members from all levels of your health department dedicated to this effort. We commend the Kendall County Health Department for this accomplishment.

Sincerely,
