

The Kendall County Health Department
Professional Seminar Series
Presents the
2017 Food Safety Workshop

“IL Food Code Training—FDA Food Code”

Food Code

U.S. Public Health Service

Join us to learn about the changes to the IL Food Code. We will be reviewing the new inspection form, new violations, and new food service requirements. The new food code is in effect starting January 1, 2018.

We are strongly encouraging attendance by food establishment owners, managers, and head chefs.

Presented by Rachael Browning, Food Program Coordinator
