

ORGANIZATION: Kendall County PADS
POSITION: Volunteer Executive Director
REPORTS TO: Board of Directors
LOCATION: 7 Sites in Kendall County, Illinois

MISSION

Kendall County Public Action to Deliver Shelter (PADS) is dedicated to providing temporary, safe shelter and nourishing food to the men, women, and children within Kendall County who are homeless or in need.

CANDIDATE PROFILE

PADS is seeking a volunteer, a servant-minded individual who is passionate about creating partnerships with individuals, organizations and community groups to change lives each day. We seek a proven leader with experience and a passion for the mission of Kendall County PADS. The successful candidate will bring leadership characterized by an ability to garner broad community support, to increase visibility of the organization, and to foster an inclusive, positive organizational environment. We seek a leader who is able to communicate clearly to both volunteers and board members. The successful candidate will be collaborative, communicative and compassionate, with a calm, balanced personality and a problem-solving nature. A creative, intuitive thinker, flexible personality, and strong resiliency in sometimes difficult environments will serve the organization well.

THE OPPORTUNITY

Kendall County PADS has become an advocate for homelessness awareness and prevention within the community. In order to continue to provide a wide array of services and increase their long-term impact, Kendall County PADS must continue to capitalize on new opportunities and partnerships at the local levels. The next executive director will have the opportunity to serve as the external face of the organization and to engage new individual, corporate and volunteer partners and to increase overall visibility of the organization. The executive director will have the opportunity to build a collaborative, fruitful and respectful relationship with the board and volunteers and to further recruit board partners of influence to the mission.

ABOUT Kendall County PADS

PADS is a place where men, women, and children living in homelessness are provided overnight safe shelter and hot meals. Each PADS site is hosted by team of caring volunteers. Each guest will be greeted by a team of volunteers, who will register them on their first night and explain how the program operates. Guests will eat a hot, home-cooked meal and have opportunities to visit with the volunteers. Information about local social services will be provided to guests.
